

## Captain Condon to Command Sheriff's Substation Here

The promotion of Richard E. Condon of the sheriff's department from lieutenant to captain and his appointment to command the Washington Township sheriff's substation was announced this week by Sheriff H. P. Gleason.

Captain Condon, a member of the sheriff's department since 1937, will direct a 23-man staff consisting of a lieutenant, two detectives, three sergeants, two constables, 13 deputies and a stenographer.

His staff will be responsible for law enforcement throughout the township, assuming duties formerly performed by the Hayward substation personnel. The change was necessitated by the rapid growth of both the Hayward and Washington Township areas, Gleason said.

The new captain, a resident of Castro Valley, has been in charge of the Detective Division of the Hayward substation since its inception in 1949. In 1945 he was graduated from the F.B.I. Academy at Washington, D. C.

Captain Condon is married and the father of four children. One son, Willard, will enroll at San Jose State College this fall. The others are Mrs. Patricia D. Smith of Wichita, Kansas; Richard E. Condon Jr., and Terrence Condon, both of Hayward.

Sheriff Gleason said that the manning of the new substation has been delayed, pending results of recent civil service examinations. He added that the majority of deputies will be transferred here from Santa Rita Rehabilitation Center near Pleasanton, the department's training ground for new men.

## PRELIMINARY OKAY ON NEW 409-HOME TRACT AT DECOTO

The preliminary tentative map of an additional 409-home tract at Decoto was submitted to the Board of Supervisors on Thursday by the Treeview Corporation and won the approval of the county administrative body.

Chester E. Stanley, vice-chairman of the county board, stated, however, that the final map of the tract, which the corporation must submit, cannot be approved until they have provided some better means of off-tract drainage.

The approval of the preliminary map clears the way for the company to progress with financial arrangements. It also clears the plans for streets and zoning within the tract.

However, the problem of adequate off-tract drainage of water is the bottle-neck which has held up the proposal by six major development companies, including Biltmore Homes of which Treeview Corporation is a subsidiary, from carrying out their plans for 6000 homes in the area.

The county government and the six companies have reportedly reached a compromise on a huge canal to carry the flood waters to the bay. The builders, however, are awaiting new federal government legislation setting up a new finance plan for the individual home purchasers.

The 409-home tract approved for the Treeview Corporation is directly across the Niles-Hayward highway from the corporation's present Hillview Crest 604-home tract.

## LOCAL CARAVAN TO DUDE RANCH SUNDAY

Sunday is to be Irvington-Centerville Day at the Old Hearst Ranch at Pleasanton.

Chamber of Commerce members in each of the two communities are rounding up as many duds as possible to attend the 10 a.m. breakfast and radio show which follows.

Centerville residents may obtain tickets from Lee Williams, Gene Manning, Jack Coley or Bill Chilcote. Tickets are on sale in Irvington at the Pond Pharmacy.

## NEWARK BOY WINS COVETED HONOR

Leroy Brown, senior patrol leader of Newark Troop No. 1, became a member of the Order of the Arrow, national honorary camping brotherhood of the Boy Scouts of America in ceremonies conducted at Diamond-O camp near Yosemite last month.

Brown, an Explorer, was voted the membership by the Scouts of the Newark troop while they were in camp during the last week of June.

## CONFUSION REIGNS OVER NEW COUNTY OFFICE BUILDING

Failure by the construction company to complete work on the Alameda County branch office building and sheriff's substation here on August 1 has resulted in mass confusion among county officials in this area.

The health department, forced to move because the county had cancelled its lease on the building in Centerville, moved into its wing of the new building on Monday, becoming the first unit to occupy the new quarters.

The staff includes Mrs. Laverna Telfer, supervising nurse; Mrs. Laura Mayer, clerk, and nurses Claire Cosner, Margaret Hanson, Pat Lewis and Louise Thomas. Carl Miller, sanitarian, also moved into his new office.

On Tuesday, Robert Moore, constable, forced to vacate his office in the Justice Court in Centerville because the lease had been cancelled, moved into his office in the new building.

Just when the remainder of the county offices will move remains a mystery.

## NO WORD ON LIBRARY

The library section of the new building is completed and ready for the new tenants but F. F. Botelho, owner of the building in Centerville which has housed the

Chester E. Stanley, vice-chairman of the Alameda County Board of Supervisors, announced this week that he will be at his office in the new branch county building each Wednesday from 10 a.m. until 12 noon.

Wednesday afternoon and all day Mondays he will be available by appointment. Appointments may be made with the receptionist in the lobby of the new building.

library for 27 years, said Wednesday that he still had not been notified that the library was moving.

The Alameda County Water District, slated to occupy a large section of the new county building, has not yet been able to find out what rent they are to be charged. Their plans for moving are still indefinite.

The Centerville Justice Court is homeless as the result of the lease being cancelled on their former quarters and the new court room not being completed.

## BOTH COURTS IN NILES

Judge Allen G. Norris said Wednesday that he would hold court today (Friday) in the Niles Justice Court at 3 p.m.

The rent for the present Niles Justice Court falls due on August 15 and Judge E. A. Quaresma is hopeful that the new courtroom will be completed prior to that date or both local courts may be homeless.

Sheriff H. P. Gleason's activation of the substation here has been held up by two factors. First by the fact that the quarters are not thoroughly completed and, secondly, he is awaiting results of recent civil service examinations to provide the manpower of deputies.

## WORKERS NEEDED IN 'COT HARVEST

Although growers estimate that the current apricot harvest will be approximately 80 per cent completed by Saturday night, there is still a need for dry-yard workers.

W. W. Allan, field representative for the California Farm Labor office at Centerville, said yesterday that they still have many calls for workers. He pointed out that youths under 18 years of age must have a work permit, available at the schools. He said that most growers insist that youths under 15 years of age be accompanied by their parents.

The slowness of this year's crop in ripening has created a problem at many canneries. Some of the canneries in the area are now accepting peaches for processing and are diverting the apricots to other canneries.

This too, has increased the volume of apricots to the drying yards.

## NEWARK MAY GET ANOTHER INDUSTRY

The addition of another industrial plant at Newark appeared certain this week.

The E. J. Lavino Company of Philadelphia, Pa., manufacturers of refractory brick, has purchased 50 acres of land near the Westvaco Chemical Division, Food Machinery and Chemical Corporation on Wells Avenue.

The company would use magnesium from the Westvaco plant in the manufacture of bricks.

Consummation of the plans is reportedly pending approval of certain aspects of the project by governmental agencies.

## BAY BRIDGES TOLL CUT TO 35c SET FOR SEPTEMBER 12

The California Toll Bridge Authority will take over the title to the Dumbarton and San Mateo bridges on September 12 and will immediately reduce the toll charges for both spans.

According to an official statement released yesterday, the tolls will be cut to 35 cents for passenger cars with any number of passengers.

The present toll is 50 cents for crossing the San Mateo bridge and 45 cents, with 5 cents per passenger in addition to the driver, for the Dumbarton bridge. Reductions in truck tolls in somewhat less degree are proposed.

## NO TAX INCREASE

The purchase price of the San Mateo bridge is \$6,000,000 and the state will pay \$2,250,000 for the Dumbarton bridge.

Purchase price for the two bridges will be raised through the sale of bonds, to be retired from funds collected in tolls.

The bonds will be dated September 1, 1951, and will bear interest at such rate or rates as may be prescribed by the Toll Bridge Authority at the time of the sale of the bonds, payable semi-annually on September 1 and March 1 of each year.

The entire expenditure is expected to be paid back within a minimum of 25 years. However, the bonds are redeemable at the option of the Toll Bridge Authority as a whole on or after September 1, 1956, on any date prior to maturity.

The cost of maintenance, operating expenses and insurance costs of the bridges will likewise come from tolls collected.

C. H. Purcell, director of the state Department of Public Works, in his report on the condition of the bridges, stated that both structures are satisfactory in general, with the exception of the concrete of the San Mateo bridge, in which a large amount of disintegration has been found.

## TOWNSHIP LEGION POST ANNIVERSARY

Washington Township American Legion Post No. 195 and the Legion Auxiliary will celebrate the thirtieth anniversary of the Post's formation at a meeting to be held Thursday evening, August 9, at the Veterans Memorial Building in Niles.

The Post's annual barbecue will get under way at 6:30 p.m., followed by an evening of entertainment.

Included in the entertainment will be the re-enactment of the Post's first organizational meeting with the original officers in their roles, as far as possible.

Distribution of awards to those holding continuous membership cards will conclude the program. All Korean war veterans living in the township are cordially invited to attend as the Post's guests.

## INJURED IN CRASH

Lloyd Standlee, Fall River Mills, Calif., and Harriet Bleyhl of San Lorenzo suffered minor injuries about 3:30 a.m. Wednesday when their automobile went out of control on Highway 17 near Warm Springs, sideswiping a power pole and crashing into a tree.

## FIVE PEOPLE HURT IN BUS-TRUCK CRASH NEAR NILES

Five persons were injured early Monday morning when a Peerless Stage System bus collided with a large gravel truck at the intersection of Shinn Road and Fremont Avenue.

The westbound bus, carrying 10 passengers, collided in a near head-on crash with the eastbound truck as the truck driver attempted a left-hand turn off of Fremont onto Shinn Road.

The bus passengers praised their driver, Clyde Everett Brashear, 25, of 616 21st Street, Oakland, for his feat of keeping the bus under control and preventing it from overturning. Although his driver's seat was broken loose by the crash, Brashear stayed at the wheel of the large bus and steered it off the highway into an orchard.

Both Brashear and Woodie LeRoy Brittain, Hayward, driver of the truck, suffered minor injuries.

The three bus passengers injured were: Stuart Kiernan, Niles, Southern Pacific station agent at Centerville, who suffered rib fractures and possible internal injuries; Ethel Howerton, Santa Ana, lacerations, and Stephen Jesse, a soldier stationed at Fort Ord, leg injury.

Mrs. Howerton and Jesse were taken to Fairmont Emergency Hospital in the Township Ambulance.

Kiernan was treated by a local doctor and taken to the Southern Pacific Hospital in San Francisco. Both vehicles were extensively damaged by the crash.

## REGIONAL MEETING OF CIVIL DEFENSE HEADS SET AUG. 8

Southern Alameda County civil defense administrative officials will meet next Wednesday at 2 p.m. in Hayward Justice Court Chambers at the call of Sheriff H. P. Jack Gleason to discuss emergency planning for Operational Area 8.

In addition to Gleason, speakers will include Harry H. Stoops, civil defense coordinator for Region 3 and his aide, Harry Davis, whose territory includes Area 8. Area 8 comprises the cities of Hayward, Pleasanton and Livermore, and all of the unincorporated areas of Southern Alameda County.

Gleason said all civil defense plans for the area are based on the State Operational Plan "A", which presupposes simultaneous atomic air strikes at downtown Oakland and San Francisco at 12 noon on a weekday. Southern Alameda County ranks as a support and evacuation area for the stricken metropolitan sections.

Problems of law enforcement, welfare, evacuation traffic control, communications and other vital services will be considered during the meeting, which is being arranged by Gleason's assistant coordinator, Stanley N. Peterson of Castro Valley.

Among the Operational Area service chiefs to participate in the planning session are Capt. C. Brower McMurphy of the sheriff's office, communications; Dr. James Malcolm, medical-health-welfare; Wallace Boggs, county surveyor, engineering; and Capt. J. A. Greening, sheriff's reserves' training.

Fire chiefs of the area will discuss fire control problems; while phases of law enforcement will be handled by Sheriff Gleason, who is regional civil defense law enforcement coordinator.

## NILES LANDLORDS ASK DECONTROL

Three Niles landlords this week asked the Niles Chamber of Commerce to back them up in their efforts to secure the decontrol of rents in this area.

The three men, George Rose, Manuel R. Romero and Leon Orcutt, made their request to the Chamber by letter.

Whether or not such a recommendation is the proper function of a chamber of commerce was not decided by the organization. The matter will be considered further at Tuesday's luncheon meeting of the Chamber.

## Fight to Retain Two Local Judges Is Lost

Hopes that Washington Township might retain its two justice courts died Saturday when Governor Earl Warren allowed the time to run out on the Assembly Bill which would make the two courts possible.

The bill, introduced at the request of Chester E. Stanley, vice-chairman of the Alameda County Board of Supervisors, passed the Senate and Assembly by unanimous vote. However, the failure of the governor to sign the bill into law resulted in a pocket veto, killing the proposed law.

The bill would have allowed the Board of Supervisors, at their discretion, to rule that the two part-time judges be retained here instead of the present ruling that only one judge serve this district after January 1, 1953.

The terms of both Judge Allen G. Norris and Judge E. A. Quaresma will expire on January 1, 1953. At that time the one judgeship will be filled by the candidate named by the voters at the June election in 1952.

The reduction in the number of judges serving this area was made on the recommendation of Chief Justice Gibson of the State Supreme Court.

Township civic organizations had urged the passage of the bill and had requested that Governor Warren sign the bill into law.

## HAYWARD YOUTH IS DROWNED IN ALAMEDA CREEK

A picnic outing for Mr. and Mrs. Basil Porter and four sons of 27427 Niles Road, Hayward, ended in tragedy at Niles Sunday with the drowning of Donald Jim Porter, one of the couple's 11-year-old twin sons.

The family had parked alongside the Niles Canyon Highway near Stanley Bridge at the entrance to the canyon.

Following the lunch the four boys went wading in the stream of water in Alameda Creek. Suddenly the boys realized that Donald was missing. A frantic search was immediately begun by the father and Robert Jensen, a friend of the family.

The body of the youth was found in a ten-foot pool near the bridge. The father worked over the boy, using artificial respiration, until the members of the Niles Fire Department arrived with their resuscitator. The firemen, assisted by Dr. E. M. Grimmer of Irvington, worked over the body for more than an hour.

Funeral services were held at 10 a.m. Tuesday at the parlors of the Berge Mortuary Company in Niles.

Interment was at Santa Clara City Cemetery.

## LOCAL CONTEST OPENS NEXT WEEK

If you could use a brand new big 1951 General Electric combination-refrigerator in your home you'll be interested in the grand prize contest to be announced in next week's issue of The Register.

Walter Connolly, Irvington appliance and home furnishings dealer, will award this refrigerator as the grand prize in his surprise contest to be announced next week.

Here's a tip. Start right now to compile a list of all the electrical household appliances that are in use today.

## NO INDUCTIONS HERE IN JULY

July was the first month since the Selective Service Act was re-activated last September that Washington Township has not been called upon to supply men for induction into the armed forces.

Selective Service Board No. 54 in Hayward, which serves all of this area, filled their quota of two men with Hayward youths this month, according to M. W. Lewis, Centerville, board member.

A total of 76 Washington Township youths have been called into the service by Board No. 54 during the past 11 months.

## ACCIDENT VICTIMS FILE DAMAGE SUITS TOTALING \$300,000

A \$300,000 damage suit was filed on behalf of five decoto juveniles in Alameda County Superior Court, Oakland, last week for claims resulting from an automobile accident near Niles June 17.

Named as defendants were Thomas W. Elke, San Francisco, driver of one of the cars involved, and H. W. Elke, his father, legal owner of the vehicle.

A charge of negligence of operation was made against the driver, who's car collided with one driven by Alex R. Baca, 19.

Injured besides Baca were four passengers, in whose names suits have been filed: Ernest Basurto, 19; Lupe Montes, 19; John Quiroz, 20, and Raymond Rojas, 19. Elke and a passenger in his car, Celia Price, 21, Piedmont, were also injured.

Attorney for the complainants, Stanley Block, said that the suits totaled \$300,375.50. They included Baca, filed by his father, Manuel T., asking \$30,000 personal and \$5,000 for loss of service; Montes, filed by his mother, Enes, asking \$80,000; Quiroz, filed by his mother, Nellie, \$105,000, and Rojas, filed by his father, Jesus, asking \$30,000.

## 'IRVINGTON DAYS' TODAY, SATURDAY

The merchants of Irvington, working in cooperation with the Chamber of Commerce, have proclaimed today (Friday) and Saturday "Irvington Days."

Designed as a means of proving to residents of Washington Township that they can save time and money by shopping in the township, the merchants have combined in making many attractive bargain offers.

At a meeting of the Chamber of Commerce last month many members expressed belief that a large portion of local residents shop in nearby metropolitan areas without even the courtesy of looking through the local stores first to see if the merchandise is available here.

Wallace Pond, Mitchell Romney and Lee Steinmetz, members of the Chamber "Buy at Home" committee, headed up the campaign.

## TAKE A BOW

When the celebratory campaign was on in San Francisco last week-end, it struck out in many sections of the state and also in Decoto, which was well represented, when Henry Grund-

brecher started out and collected from merchants and citizens of our town. Decoto can take a bow for a deed in a good cause.

## HOUSEWARMING

Approximately 75 guests were invited to the housewarming last Saturday night the Don Martins gave in their new home on Decoto Road. Relatives and friends showered the Martins with many gifts and houseplants. The guests were served mixed sandwiches, potato salad, mixed drinks, soda, two large cakes, and hors d'oeuvres. The folks enjoyed dancing in the garage and playing cards. After having a wonderful time the guests parted in the wee hours of the morning.

a heart-shaped crown trimmed with orange blossoms. She carried a prayer book with white orchids and bouvardia.

The wedding party was preceded by a friend's daughter as flower girl who was dressed in a blue net with pink satin slip and carried a basket of rose petals, and the bride's nephew as ring bearer.

The maid of honor, Lydia La Revere of Stockton, was in a nile green taffeta gown with bustle back. The bridesmaids, Julia Mateo, sister of the groom, and Carmela Young, were in light yellow gowns similar to the other attendant. All wore two strands of pearls and heart shaped picture hats. The three carried colonial bouquets of mixed flowers.

Frank Mateo served the role of best man by his brother-in-law, Louie Pagan, brother of the groom, and Tony Redutto, cousin of the bride, served as ushers. The groom and his attendants wore white dinner jackets.

The bride wore a lovely orchid suit when she left for her honeymoon to Northern California and Oregon.

The groom's mother wore a white and black afternoon dress with white and black accessories and had a yellow gladiolus corsage for her son's wedding.

Paul is a graduate of the local schools and served 37 months overseas and 3 months in the United States during World War II. He participated in Guadalcanal, Russell Islands and New Caledonia.

Julia is a head nurse on the Red Cross Blood Mobile train unit. She also was at Oak Knoll during World War II. The couple will reside on Second Street when they return home from their honeymoon. A reception will be held on Sunday, August 12, at the Niles Memorial Building.

## ROTARY DISTRICT GOVERNOR SPEAKS

Rotary Clubs in 83 countries throughout the world are united in an endeavor to promote international understanding, good will and peace. That was the message of Dr. C. Edward Rutledge of Richmond, governor of District 157 of Rotary International, in addressing the Rotary Club of Niles yesterday following a conference with local Rotary officers, directors and committee chairmen.

In addition to the activities of Rotary's 7,300 clubs in their own communities to promote this objective, Dr. Rutledge explained over a six-year period Rotary International is spending \$1,500,000 principally to create better understanding among the peoples of different nations.

One of the ways in which this money is spent is on Rotary Foundation Fellowships, which enable outstanding graduate students to study for one year, in countries other than their own, as ambassadors of good will.

He complimented the local club on its growth from membership of 16 in 1937 to its present total of business enterprises in Washington Township.

Fresno County is one of the richest agricultural counties in the United States.

"TOMORROW"  
would you like

TODAY?

**1 180 HORSEPOWER...** here today, not "coming sometime!" Chrysler FirePower owners today have the most powerful engine ever put in an American passenger car... and enjoy incomparable performance on non-premium grade fuel besides!

**3 POWER BRAKING...** not "in the laboratory stage" but under your toe right now! Regular equipment on all Chrysler New Yorkers, Imperials, and extra-wheelbase Windsor models. Power braking assures smoother, safer braking.

**2 HYDRAGUIDE POWER STEERING...** now for the first time in any American passenger car! Automatic hydraulic power now gives steering ease, safety and car control under all conditions such as you never felt before!

**4 HEMISPHERICAL COMBUSTION CHAMBERS...** On the left you see the Chrysler engineering reason why no engine in any other American passenger car today can match FirePower's fuel efficiency or its 180 horsepower performance... Plus new Oriflow Ride Control... Waterproof Ignition... Safety Rim Wheels... Cyclebond Brake Linings... Ignition Key Starting... Come see and feel for yourself how much that other cars may have "some day," you can have now in Chrysler! See it and drive it.

**APPEAL MADE FOR  
FLOOD VICTIMS**"Flood waters show no mercy—  
but YOU can" is the heading of the  
appeal made this week by the  
American Red Cross for funds to  
care for the thousands made home-  
less by the recent floods through-  
out the midwest.Leroy Broun, Washington Town-  
ship Red Cross chairman, said this  
week that the Red Cross is operat-  
ing 82 shelters for 21,920 persons,  
43,286 are being fed daily, over  
200 trained disaster workers have  
been sent to the stricken area. He  
stated that it is estimated that  
at least 18,000 families will re-  
quire Red Cross rehabilitation as-  
sistance.He asked that township resi-  
dents willing to contribute finan-  
cial assistance mail their checks  
to the American Red Cross, P. O.

YEAR'S PROGRAM**Officers of Washington Union  
High School P.T.A. met at the  
home of President Mrs. G. G.  
Rehrig at Centerville, on Monday,  
July 30, to plan the program for  
the coming year.A program which will include  
speakers, a panel discussion by  
students of the school, motion pic-  
tures, in addition to programs  
which have become traditional  
with the organization, such as  
Founders' Day and the Christmas  
party, is planned. Mrs. Robert  
Moore, Centerville, first vice-pres-  
ident, is program chairman.A meeting of the executive  
board will be called by President  
Mrs. Rehrig to take place before  
school convenes in September.  
The program will be submitted at  
this meeting. At this time, also,  
the president will present the  
names of committee chairmen.**To Yuba City**Mr. and Mrs. Ed Vieira and  
family of Morrison Avenue, Niles,  
left Wednesday to stay six weeks  
at the Highway Trailer Park near  
Yuba City. While they are gone,  
Mrs. Vieira's mother, Mrs. Fleecie  
Gomes, will stay in San Jose at  
the home of her son, Al Gomes.**NILES YOUNGSTERS  
SCORE FOR PALSY**While many adults sit by and  
do no more than voice a "Tch,  
tch, it's too bad" over the plights  
of many of the world's unfortun-  
ates, two Niles youngsters, deeply  
sympathetic for a group of chil-  
dren less fortunate than themselves  
—the victims of cerebral palsy—  
went out last Saturday morning  
and, in an hour, had collected  
\$24.37 for the palsy fund.The two young stalwarts, in-  
spired by the appeals made over  
radio and television for funds to  
aid the palsy victims, were Dennis  
Franco, seven-year-old son of Mr.  
and Mrs. Eugene Franco of Niles,  
and Merrill Cotter, eight-year-old  
son of Mr. and Mrs. Les Cotter of  
Niles.It was strictly their own proj-  
ect, performed without any adult  
suggestions, and they carried it  
out in true Spartan manner, being  
deterred by no obstacles in their  
house-to-house campaign. Even  
a dog, who attacked one of the  
boys as he entered a yard, couldn't  
discourage them. They were  
grimly determined to do their bit  
for a worthy cause—and they  
did it.**WIDOW OF THEATER  
OWNER SUCCUMBS**Mrs. Carol Petersen, wife of  
the late Charles E. Petersen, for-  
mer Niles theater owner, passed  
away in San Francisco last Fri-  
day, July 27.Both Mr. and Mrs. Petersen pio-  
neered theaters in Washington  
Township, building the Niles The-  
ater in 1926, later building theaters  
in South City, San Bruno, Bur-  
lingame, Palo Alto, Brentwood,  
Oakley, Richmond, and Bend, Ore-  
gon.Both had resided in Niles for  
many years. Mrs. Petersen was  
a member of the Niles Christian  
Science Church.Final rites were held in San  
Francisco Monday. Interment was  
at Mt. Olivet Cemetery.The first hospital founded in the  
United States was at Philadelphia,  
January 4, 1751.**Family Reunion**A large family reunion and bar-  
becue was given by Mr. and Mrs.  
L. L. Lewis of Niles at their  
summer cottage in Boulder Creek  
last Sunday, where Mrs. Lewis  
had all of his brothers and sisters  
together—Mrs. Anna Wilmer and  
husband of San Francisco, Mr.  
John Lewis and wife of Benicia,  
Mrs. Amy George and husband of  
Concord, Mr. J. E. Lewis and wife  
of Alvarado, Mrs. Josephine Du-  
arte and husband and daughter  
Mildred of Niles, Mrs. Mary Gomes  
and husband of Niles; and the L. L.  
Lewis' daughter, Charlotte.**They Like Niles**Mr. and Mrs. Les Cotter, for-  
merly of Southgate (Calif.), hav-  
ing recently purchased the for-  
mer Peyton home in Niles, have  
already become enamored of this  
area that Mrs. Cotter said this  
week, "I'd like to live in Niles  
for the rest of my life." She  
thinks the climate is wonderful  
and the neighbors and residents  
of Niles exceptionally friendly.  
"I've never lived in a town where  
the neighbors were so friendly,"  
she said.Mr. Cotter is plant manager for  
the Purex Company in San Lean-  
dro.**Visitors Expected**Mrs. Earl Silverthorn and three  
daughters are expected to arrive  
in Centerville next Wednesday for  
a three or four weeks' visit at  
the home of her mother, Mrs.  
Thomas Power. The Silverthorns  
live in Cedro-Woolley, Washing-  
ton.**A Helping Hand**A guest at the home of the  
Maurice Marks of Mission San  
Jose this week is Mrs. Marks'  
mother, Mrs. Antoine LeSoine of  
San Rafael. Mrs. LeSoine, 86  
years old, comes down every year  
to help her daughter cut apri-  
cots.Former names of Placerville in-

mer Maxine Weissenbacher, daughter of Mr. and Mrs. Otto Weissen-  
bacher of Niles. Mr. Hescher's parents are Mr. and Mrs. Victor  
Hescher of Niles. —Ken Foster Photo**PEDESTRIAN HURT AT CENTERVILLE**Charles Walters, 56, Centerville  
carpenter, suffered a compound  
fracture of his left leg early last  
Friday morning in Centerville as  
he leaped from the highway to  
avoid being struck by an auto-  
mobile.Walters, enroute to Highland  
Hospital in the Township Ambu-  
lance, told Bernie Vail, driver,  
that he was crossing the highwaynear the Centerville Elementary  
School when he suddenly saw two  
autos bearing down on him at  
high speed. He jumped for the  
shoulder of the highway and when  
he landed he broke his leg.Unable to walk, he crawled to  
the side of the highway where he  
laid until he was able to flag

### Shower Given for Bride-Elect

Lyle's Restaurant in San Francisco was the setting last Wednesday night for the shower given Miss Tosca Perugi who will become the bride of Peter Sodini of Irvington on August 12 at Corpus Christi Church, Niles. Seventy were invited to the shower.

Miss Perugi is the daughter of Mr. and Mrs. Oresti Perugi of South San Francisco, and the sister of Mrs. Nick Pessagno of Niles. Her fiancé is the son of Mr. and Mrs. R. Sodini of Irvington, and he is employed at the Interlocking Tile Company in Niles.

The hostesses at the shower were Mrs. Gene Pessagno, Mrs. Nick Pessagno and Dina Sodini (the bridegroom-elect's sister).

After their wedding the couple will live in Irvington.

### Christening Ceremony

The five-weeks-old daughter of Mr. and Mrs. Fred Costa of Irvington, little Patricia Marie, was christened last Sunday at St. Joseph's Church in Mission San Jose, with the Rev. Father John Leal officiating.

Those present at the dinner, which followed the ceremony, included the godparents, Mr. and Mrs. Alvin King of Canyon Heights, and their children; and Patricia's two great-grandmothers, Mrs. Carrie Martin of Niles and Mrs. Mary Moura of Centerville; and the grandparents, Mr. and Mrs. A. L. Costa of Decoto and Mrs. Mary King of Irvington, and Miss Lorraine Freitas.

### Flying to Ohio

Farewells were being said Thursday evening to Mrs. Evelyn Zaballos of Newark and Mrs. Emily Cabral of Hayward at the San Francisco Airport. They are flying via United Airlines to join their husbands in Toledo, Ohio, where they have been attending the School of National Meat Cutting for eight weeks.

Then they will proceed for a month's vacation by car to Eastern Canada, Washington, D. C., Chicago, and New York.

Mrs. Zaballos will resume her duties at the Newark post office on September 1.

### First Child

Mr. and Mrs. David Escobar of Mission San Jose are announcing the birth of a son, Daniel Joseph, born July 23 at Hayward Hospital. The infant weighed seven pounds and 8 ounces at birth. This is the couple's first child.

The grandparents are Mr. and Mrs. J. R. Maciel and Mr. and Mrs. Antone Escobar.

### Back to Routine

The Silva family of Baine Avenue, Centerville, and Beverly Lopez, also of Centerville, have all settled down to routine life again after a wonderful two weeks' vacation spent at Yosemite.

### At Red's Meadows

Up at Red's Meadows—above Sonoma—this week on a fishing trip are Art Cline and family of Newark, Mr. and Mrs. Orville Colgan, also of Newark, and C. W. Lindsay of Blacow Road.

### BE NEIGHBORLY...

### Double Birthday For Newark Girls

A double birthday celebration for Diane and Cheryl Woodward, daughters of Mr. and Mrs. Charles Woodward of 2310 George Street, Newark, provided lots of fun, food and merriment for the celebrants as well as their guests. Diane was five and Cheryl was one year old. Two big birthday cakes were the highlight of the occasion. Those who enjoyed the event included Bertie Holderfield, Shirley Goss, Barbara and Susan Naylor, Maxine and Roberta Williams, Peggy and Jerry Kelly, Joan, Billy and Ethan Hoover, Marie, Diane and Richard Robertson, Paulette Snowden, Janice, Jerry and Eddie Thorpe, Carol Fragus and Judy Ennes.

The grandparents of the two little girls, Ted and Elsie Econome, left their restaurant in Niles long enough to enjoy the fun, too, and—confidentially—enjoyed it a little more perhaps than even the children!

### Former Resident Visiting Here

Mrs. Jennie Mohn of Pocatello, Idaho, is visiting relatives in Niles this week, having arrived Monday. She expects to spend the two weeks she is here, catching up on the news and renewing old friendships. Her youngest son, Bob, has been here visiting relatives since the latter part of June. He, too, is having a good time visiting old friends.

### Return from Salt Lake

Mr. and Mrs. Reginald Calhoun of Niles arrived home Monday after a wonderful ten-day vacation trip that took them as far as Salt Lake City. "I didn't dream that Salt Lake was such a beautiful city," said Mrs. Calhoun. Enroute home they looked the hunting country over at Elko, Nevada, then spent the remainder of the vacation fishing around Lake Tahoe.

### Teacher to Wed

Invitations are in the mail for the wedding of Merton Jones, science teacher at Washington High School, and Catherine Lundberg of San Francisco.

The wedding will take place on August 18 in San Francisco.

### To Live in Carmel

Mr. and Mrs. George B. Russell, former Maui, Hawaii, residents, were overnight guests last Thursday of Mr. and Mrs. W. A. Baldwin of Niles. Mr. Russell, a prominent pineapple man in the Islands, has retired to live in Carmel.

### Expected Home

The C. W. Lindsays of Blacow Road are expecting their son to pay them a visit next week. A radar technician on the U. S. S. Miller, Kenneth Lindsay writes home that he expects to be at Treasure Island, starting next Monday, for the next three weeks. He has been at San Diego.

### Double Birthday Feted

The whole Wood family of Newark—the Dwain Woods—comprised of Mr. and Mrs. and their four sons, motored to Santa Cruz last Saturday to spend the week-end in celebration of the joint birthdays of Don Wood, who was 13, and Bob Wood, who was two. Their other two boys are Rod, 4, and Jim, 8.

### Guests at Ranch

The Kenneth Fosters of Newark and the Howard Overackers of Mission San Jose are motoring up to Auburn this week-end to stay at the George Coefield ranch as guests. The Coefields are former residents of the township.

### Bill Ramsey To Take Bride

The Garden of Allah at Niles will be the setting for the wedding on August 19 of Bill Ramsey, son of Mr. Roy Ramsey and of Mrs. Leona Ramsey, and Lola Schults of Newark.

Bill, who attended local schools, is employed at the Chevrolet plant in San Leandro. His bride-to-be attended Hayward schools. Best man at the wedding will be Howard Mendoza of Niles. The matron of honor will be Mrs. Herbert Schults, whose husband will be unable to attend the nuptials as he is in the Army in Korea.

A reception will be held at the Garden of Allah immediately following the ceremony.

### Third Son

Dr. and Mrs. Merle Buehler of Centerville now have a trio of boys. Their third son was born July 30 at Alameda Hospital, and has been named William Keith.

### Coming and Going

Mr. and Mrs. William P. Baldwin and two children, Susan and Vicky, spent last week-end with Bill's parents, at their home on Cherry Lane. They thought Niles was cold—possibly because they make their home in Sacramento. Returning with them was their niece, Diane Roeding, who is spending this week at their home.

### Roses Return

Mr. and Mrs. Leonard Rose of Warm Springs returned home last week-end from a two weeks' vacation spent in Southern California and Mexico. While in Hollywood they enjoyed the privilege of attending two world premieres.

### Boulder Creek Vacation

Spending five days at a cabin in Boulder Creek were Mr. and Mrs. Duffy Lewis, Mrs. Lewis' sister, Ethel Francis, and their mother, Mrs. Mary Francis. While there they celebrated Miss Francis' birthday by dining at Brookdale Lodge. During their stay they met other Centerville people, Mr. and Mrs. John Santos and daughter, who were also vacationing.

### Moves to Carmel

Mr. and Mrs. C. H. Hirst and daughter of Palo Alto moved to Carmel last week-end and going with them for an indefinite stay was Mrs. Hirst's mother, Mrs. Ida Hirsch, who has been living in Irvington. Mrs. Hirst is the former Leona Hirsch.

### Out-of-State Guests

Stopping at Newark to pay a quick visit to her nephew, Kenneth Foster, was Mrs. R. V. Cooke of Oregon City, Oregon. Miss Cooke is superintendent of nurses in that city. With her was Mrs. F. M. Oglesby of Harrisburg, Pennsylvania.

After doing a little sight-seeing in California this week, the two women will return to Newark on Monday to have a family dinner with the Fosters. Also invited are Mr. and Mrs. Robert Foster and family of Mountain View.

### Very Young Guest

Charlotte Susan Stong of Oakland is having the time of her very young life visiting for the next three weeks with her grandparents, Mr. and Mrs. Chester Weaver of Niles. Charlotte is ten months old.

### A New Member

Four-year-old Jerry Woodruff and six-year-old Yolanda Woodruff, children of Mr. and Mrs. Paul Woodruff of Newark, are having a lot of fun these days becoming acquainted with the new member of the family, a baby brother, Daniel, born last month, who is fast becoming "one of the gang." Mr. Woodruff is employed at Westvaco.

### THIS 'N' THAT

The biggest bargains this week, excluding, of course, the bargains for the big "Irvington Days," are — of all things — in the kitten world! (See classified ad section.)

One thing you don't dare say to anyone in Washington Township these days is: "Would you like some 'cots'?"

A local man, who received an awful shake-up when his car "collided" with an embankment in Niles Canyon as the result of trying to avoid hitting a dog, got out of the smashed car in a dazed and bruised condition and had no other concern except for the Irish setter he had hit! Mrs. Laura Whipple, the township's best-known fancier of dogs, would love this man, I know.

### ANNUAL COMEBACK

I am learning to drive again. Every year I return to the wheel, like the swallows coming back to Capistrano or the butterflies returning to Pacific Grove. It's seasonal with me.

I have been doing this for several years, and I still haven't got a driver's license.

This week, however, I have made rapid strides. I have not only received an instruction permit which gives me the privilege of learning (this, of course, included passing the true and false written test), but I have chalked up the following battle-scars, which ought to make me eligible for the Purple Heart or something comparable: four dented fenders, one nicked telephone pole, a bumper that is in the last stages of collapse, the complete removal and demolishment of four shrubs, the vivisection of a bed of petunias, the felling of a rural mail box, the death of a white-leghorn chicken, and an attack of apoplexy for an old lady who somehow got the notion I was using her as a running-deer target as she crossed the street. I doubt if any other beginning driver can report so much accomplished in such a short time.

### To Move to Lindsay

Mr. and Mrs. Tom Champion and daughter, who have been living in Niles, will be moving to Lindsay, California, within two weeks. Mr. Champion, connected with the C. H. Stolte firm, has been employed with the Central Valley project near Tracy, but has received a promotion and has been transferred to Lindsay.

### Guests from Wisconsin

Mrs. V. C. Wykoff Sr. of Appleton, Wisconsin, was a visitor this week at the home of Mrs. Joe Champion of Niles. Mrs. Wykoff, since coming out from Wisconsin, has been staying at the Piedmont home of her daughter-in-law, Mrs. Victor Wykoff (Clarice Champion).

### At Felton

Mrs. Joe Jason and Mrs. Mary Silva, both of Centerville, spent last week at the Jason's summer cottage at Felton.

MRS. DORA PATCHETT of Niles was the honoree last week at a birthday party and dinner at the International Kitchen. The pleased expression on her face is duplicated by that on her husband's. It was his happy duty to arrange the whole affair so that it was a surprise for his wife. It was. —Register Photo

### Niles Couple Return from East

Mr. and Mrs. Mouzon Matthews returned Monday to their home in Canyon Heights after a two weeks' jaunt to the eastern part of our country. In St. Louis they attended a convention of the IBCA (International Baby Chicks Association), then went on to New York where Mrs. Matthews stayed with relatives, while Mr. Matthews attended to business matters in other eastern cities.

While they were gone, Mrs. Matthews' mother, Mrs. Charlotte Sartwell, came down from her home in Portland to stay with the Matthews' children.

### Luncheon Hostess

Mrs. Artie Green entertained Tuesday at a luncheon at her home on Decoto Road for the following guests: her daughter, Myrna; and Mrs. Bessie Purdy, Mrs. James Robertson and children, and Mrs. C. W. Lindsay.

### Back on the Job

Mr. E. J. Willburn of Newark is back on the job at Friden's after a very pleasant two weeks vacation with his wife and two sons, Del and Danny, at Yosemite, Lake Tahoe and Reno.

### Honored Guests At Luncheon

Mrs. Marian Picotte, who is moving in a short time to southern California, and Mrs. Evelyn Briggs Rose, a recent bride, were the honored guests at a luncheon given Thursday by Mrs. Kenneth Foster of Newark.

Those invited, all of whom are connected in some way with the Irvington Community Presbyterian Church or Sunday School, included, in addition to the guests of honor, Mmes. Katherine Hupman, Marjory Callahan, Florence Beardsley, Frances Frades and Ernestine Brewer.

### Vacation Over

Mr. and Mrs. Mel Duffey have returned home to Niles after a two weeks' vacation at a ranch near Railroad Flat. They spent their time fishing. They were joined for a couple of days by Mr. and Mrs. Les Duffey of La Habra, who are still up there, but who will stop in Niles for a visit on their way home.

## MISSION SAN JOSE NEWS

By LOIS BOTTENBERG

## UPS AND DOWNS

Seems like Little Carl Thompson surely has a lot of ups and downs here lately, but the latest and biggest hurt of his young life was when one of the elder men of Mission let his car roll down a little too far over where our sidewalk curbs SHOULD BE and smashed Carl's new bike till it looked like an accordion, and believe me, Carl sure sounded like a three alarm fire when it happened. But he dried his tears with the promise that in a week or so said culprit will have it good as new for him.

WELCOME! Welcome to our town, young man, and I understand you choose the home of David and Vivian Escobar to have Mr. Stork drop you off. You have been named Daniel Joseph, your arrival was on June 23, and you started out at 7 pounds and 8 ounces. Grandmother and grandfather Antone Escobar now have four boy grandchildren. All had hoped that this little one would be a girl.

**BIG SURPRISE** Here was another big surprise for all we folks who, back in war days, saw a great deal of Mr. Joe Thompson. Yesterday Mr. and Mrs. Manuel Phillips received a birth announcement that they have a little girl, Debra Lee, born July 28 and weighing 6 pounds and 15 ounces. They now make their home in Oakland. Gee, Joe, you never struck me as the fatherly type. Aha!

**TO SAN BERNARDINO** Mrs. Ann Maycock rushed around the last of the week getting her daughter, Sally Ann Hartley, off on the plane for San Bernardino after she and Sally shipped all her stored articles. Mr. and Mrs. Hollis Hartley are all set now to stay in San Bernardino for some time for Mr. Hartley has been appointed deputy district attorney for San Bernardino County. Sally had spent almost a week with her mother.

**VISITING SISTER** Betty and Eddie Santos and their young son, Mark, left last week for Norwalk and Pomona to visit his sister, Mr. and Mrs. Jack Scott, and her folks, Mr. and Mrs. James Bramwell.

**A LITTLE LATE** Aren't I a stinker! Here Florence has been back at the post office clerking for almost two weeks and I never even wrote up their vacation. Slipped last week, so will tell you a bit about it now. They, Mr. and Mrs. Larry Thompson, went to Eagle Rock to her folks, Mr. and Mrs. J. F. Windas, and there they left their Thompy to be with his grandparents. They visited Grand Canyon, Painted Desert, Calceico, and many other points of interest. Thompy will return on August 11. His

folks will pick him up at San Luis Obispo where Mr. and Mrs. Windas will meet them for the week-end. There! I dozed it.

## MOVE TO THE CITY

Mrs. Alyce McGue and daughter, Sandy, left this week-end to make their home in San Francisco. Hope you will still get the Mission news way out there so you will know what all of your former friends are doing here.

## BETROTHAL TOLD

So another of our young steady couples have announced their engagement. Miss Jeanne Neeley, daughter of Mr. and Mrs. Richard Neeley of San Jose, former Mission folks, is proudly displaying her lovely diamond given to her by Pfc. Elmo (Cappy) Cunha, son of Mr. and Mrs. Tom Cunha. Cappy is on leave from Camp Stoneman and because of service they have made no definite plans as to when the happy event will take place.

## IN OGDEN

Miss Iras Lofton, daughter of Mr. and Mrs. Marvin Lofton, has returned home after spending several weeks in Ogden with her brother, Robert, and with other relatives.

## MEET THE YOUNGEST

Over the week-end Mr. and Mrs. Glenn Bottenberg, Ruth Santos and kiddies, Rachael and Diane, motored to Placerville where they made the acquaintance of the newest addition to the family, little Miss Gale Ann Kamp, infant daughter of Mr. and Mrs. Norman J. Kamp, born at Placerville Sanitarium on July 24 and, such a tiny mite, weighing only 6 pounds and 1 ounce. Her mother is the former Elaine Justus of the Mission and she has two older sisters, Vicki Jay and Teri June. Sisters were looking forward to a little brother but someone else beat them to him. Anyway she is sweet, her mommie and daddy think her grand even though Norm is taking a ribbing from all who know him for he was going to get a boy in the family this time.

## WONDERFUL VACATION

Reverend John O'Malley of the Holy Family Convent has returned from a wonderful two weeks' spent in Southern California, parts of Arizona, Nevada and Utah. He visited with a dear friend in Calceico and spent one day 120 miles south of the border at San Felipe. and it was all very grand, even the 117 degree heat.

## REMEMBER?

Remember last year's luscious food at the Auxiliary Food Sale? Well, the gals of the Auxiliary of the Fire Department are planning another one for Saturday, August 11, at the Mission San Jose Firehouse and we would like to see a lot of our friends put a circle around the date, then drive up and get your choice.

## BEST OF LUCK

Miss Vivian Pine of Niles left on Monday for Jacksonville, Florida, to join her fiancé, Donald E. Meyers, son of Mr. and Mrs. Frank Vieth of Mission, who is in training at the aviation school there,

## HINTS FOR HOMEMAKERS

SALAD IS A HOT-WEATHER MENU HIT AS APPETIZER, ENTREE OR DESSERT

by the General Electric Consumers Institute

Salads are tasty all year round—but in the summertime, when appetites are often discouraged by the high temperatures, a salad has the added advantage of "eye appeal". Crisp and cool and colorful, it will often "hit the spot" with the family.

## Four Kinds of Salad

Perhaps you haven't realized how versatile a salad can be. As an appetizer, try using fresh fruit sections, crisp raw vegetables or jellied molds of fruit, vegetables, meat or fish in small portions, says the General Electric Consumers Institute.

Or make a salad your main dish on a summer menu. A chef's salad, with julienne strips of chicken and meat plus raw or cooked vegetables and a variety of greens is a nourishing and satisfying mixture. A tossed green salad or one of raw vegetables—or cole slaw—is a good choice to accompany a hot entree. And there can be salad for dessert, too, using cheese, nuts and fruits, either plain or molded in gelatin.

## Green is for Summer

You'll find that the more kinds of greens you learn about—and use—the more variety of taste and texture your salads will have, and the better they will taste. Even with lettuce, you have a choice of two kinds, iceberg lettuce (the solid-headed kind) and Boston lettuce, with its looser, less crisp leaves. Then there is parsley, chopped fine as an ingredient or used in sprigs as a garnish, and also such important items as romaine, chicory, spinach, endive, escarole, green cabbage (or red cabbage for a touch of color) and water cress. Wash greens, drain them well, and keep them crisp in the vegetable drawer of your refrigerator.

## Dressings Make the Difference

But no matter what is in the salad, the dressing you put on it can spell the

difference between success and failure. Here are recipes for the two basic types of salad dressings, mayonnaise and French dressing, with Consumers Institute suggestions for variations of each. You can make a supply of the basic dressings ahead of time and store them in your refrigerator until you need them. Be sure greens are as dry as possible before you add dressing, or dressing will be diluted by excess moisture.

## Mayonnaise

Tested in the G-E Consumers Institute  
1 egg Few grains paprika  
1 teaspoon salt 1 tablespoon vinegar  
3/4 teaspoon sugar  
1/4 teaspoon dry 1/2 cups salad oil  
1 mustard 1 tablespoon lemon juice  
Few grains Cayenne pepper

Combine egg, salt, sugar, mustard, Cayenne pepper, paprika and vinegar; blend. Add 1/2 cup salad oil slowly, 1 tablespoon at a time, beating constantly with a rotary-type beater. Slowly add remaining oil, then lemon juice, beating constantly until thick. Makes 2 cups.

For variations, try Cucumber Dressing (3/4 cup mayonnaise with 1 small cucumber which has been pared, chopped and drained), Herb Dressing (3/4 cups mayonnaise with 2 tablespoons chopped chive and 1 tablespoon minced parsley for use on meat or fish salads), Russian Dressing (3/4 cup mayonnaise with 3 tablespoons chili sauce and 1 tablespoon minced green pepper to serve on salad greens), or Cream Dressing (3/4 cup mayonnaise and 1/2 cup heavy cream, whipped, to top fruit salads).

## French Dressing

Tested in the G-E Consumers Institute  
1 cup salad oil 1/2 teaspoons dry  
1/2 cup vinegar 1/2 teaspoon mustard  
1/2 teaspoon salt 1 teaspoon paprika  
1/2 teaspoon sugar Few grains pepper

Combine ingredients and beat with rotary type beater until well blended. Makes 1 1/2 cups.  
Variations include Olive French Dressing (3/4 cup French dressing plus 1/4 cup sliced stuffed olive or 1/4 cup sliced ripe olive), India French Dressing (3/4 cup French dressing with 2 tablespoons pickled relish or 2 tablespoons chopped dill pickle for vegetables, meat or fish salads), Herb French Dressing (3/4 cup French dressing with 1 tablespoon minced parsley, 1/2 teaspoon powdered marjoram and a pinch of powdered thyme, for vegetable and meat salads), and Blue Cheese Dressing (3/4 cup French dressing and 1/4 pound crumbled Blue cheese to use on hearts of lettuce or salad greens). For use on fruit salads, make French dressing with lemon juice instead of vinegar.

What could be more appetizing for a hot-weather supper than a chef's salad, with raw vegetables and greens mixed together for a crisp, cool, and satisfying main dish?

## SANFORD CIRCLE WILL MEET ON AUGUST 10

The regular monthly meeting of the Sanford Circle of the Niles Congregational Church will be held Friday, August 10, at 1:30 p.m. at the Guild Hall with Mrs. Irene Preston, president, presiding.

U.S.N. They will be married on Friday at the Catholic Chapel. Donnie was home recently on leave and the two young folks get lonesome same as old married folks, so Vivian decided, along with help and urging from Don, to go to him and start their married life together now while he is still in the states. Best of luck, happiness and a hundred years of double harness.

## LEAGUE PENNANT TO KLEINE CLUB; PLAY-OFFS BEGIN

The 1951 Washington Township Softball League play drew to a close Wednesday evening with the powerful Kleine club from Centerville again in undisputed possession of the league pennant. The play-offs begin tonight (Friday).

The Kleinemens finished both the first and second halves of the split season without a single defeat. In second place with but one defeat in each half of the season, and both defeats at the hands of the Kleines, was the Y.M.I. club. Ray's Market, which ended in a tie for third place with Wedgewood the first half of the season, copped the third place honors in the second half with three victories and two losses.

L & V and Wedgewood tied for fourth place, American Forge was sixth and Frick's ended in the cellar.

Kleine's club withdrew from the play-offs for the President's Trophy, leaving Ray's Market, L & V, Wedgewood and Y.M.I. to battle it out.

The first round tonight will see Ray's Market pitted against L & V and Y.M.I. against Wedgewood. The play will continue on Monday and possibly Wednesday until two of the teams win two out of three of the contests.

The final round will be a three-out-of-five affair.

## SPORTSMEN PLAN PUBLIC SHOOT

The Washington Township Sportsmen's Club will sponsor a public shoot at the club grounds two miles south of Mission San Jose on Sunday, August 5.

Feature attractions will be trap shooting, large bore and small bore competition and the popular running targets. There will also be special events for the ladies.

Joe Dutra and Frank Mayer, co-chairmen, have announced there will be no admission to the grounds and that shooting will begin at 9 a.m. and continue until 5 p.m.

Two new members were voted into the club at the July 26 meeting. Melvin Leal of Irvington and E. H. Frick of Niles were initiated into the club by L. L. Lewis.

President Muzzy Rogers announced at the meeting that the club's trap shoot team attended the trap shoot and barbecue given by the Associated Sportsmen at Livermore on July 29.

## BASEBALL CLUB ENJOYS BARBECUE

The members of the Bear Cat Club baseball team of Centerville and their families were feted with a barbecue Sunday on the San Joaquin River by Joe Dutra, team sponsor.

The affair got under way at 9:30 a.m. and continued throughout the day, breaking up at 9 p.m.

Tony Dutra won a prize for catching the largest fish but, according to other members of the team, failed to get home with either the winning catch or the liquid prize.

This New Method Laundry & Dry Cleaning Co. 1950 Ford F-1 Panel completed 8,350 miles in the nationwide Ford Truck Economy Run.

P. J. Elliott, of the New Method Laundry\*, states one good reason for his low truck operating costs: "We take the truck to our Ford Dealer for regular monthly service."

\*Address furnished on request

"Over 2800 stops a month...yet

my F-1 Panel hauls laundry for less than 2¢ a mile!"

Like over 5000 other Fords in the 50-million-mile Ford Economy Run, Elliott's F-1 Panel was equipped with POWER PILOT . . .

"I know you can't beat Fords for low-cost delivery work," says P. J. Elliott. "In the six months of the Economy Run, our F-1 Panel travelled 8,350 miles, made 17,339 deliveries and pickups, had no repairs. I

spent a total of \$162.13 for gas, oil and maintenance—that's a running cost of only 1.94 cents a mile."

No wonder the most talked-about economy feature in modern trucking is the Ford Truck POWER PILOT—it gives you the most power from the least gas! And you get the POWER PILOT on all Ford's more than 180 models!

### BETTER BUSINESS BUREAU WARNING

The Better Business Bureau of Metropolitan Oakland warned residents of Alameda County this week to beware of a group of men selling materials door-to-door.

The material which this group is selling bears the label or marking "West of England Mills."

The salesmen are said to inform customers that they may take this material to McDonald Tailors, 410 13th Street, Oakland, where they may have their suits tailored to measure at prices ranging from \$17.50 to \$25.

The firm of tailors has informed the Better Business Bureau that they have no such agreement with these men and must charge approximately \$40 as a minimum to tailor and fit a suit.

## TRUSTEES STUDY SCHOOL PLANTS

The members of the Board of Trustees of Centerville Elementary School and District Superintendent Tom Maloney spent several days last week touring nearby school plants to get ideas for the new school plant to be constructed in Centerville in the near future.

The group, including Mrs. Mary G. Rodriguez, Allan E. Walton, Judge Allen G. Norris and Maloney, spent Wednesday touring the schools of Palo Alto with Walter Stromquist, school architect, and Mrs. Edgar Parsons, field representative from the State Department of Education.

On Friday morning the group was guided through the Hayward schools by Superintendent Jack Rees and Principal Tom Devlin.

Monday evening the board members met in conference with Stromquist and Birge Clark, school architects, to develop plans for the new school to be constructed on Thornton Avenue.

## FREE CHEST X-RAY CENTER OPENED

The opening of a tuberculosis x-ray center on a full time basis for residents of Southern Alameda County was announced this week by Dr. James C. Malcolm, county health officer. Free chest x-rays for tuberculosis will be available Monday through Friday at the Walpert Memorial X-ray Center located at Fairmont Hospital.

The reorganization of this memorial x-ray center was made possible by a recent grant to the Health Department of Christmas Seal Funds by the Alameda County Tuberculosis Association. The funds were used to employ a trainee technician to operate the machine.

The Walpert Memorial X-ray Center is located in Building C at Fairmont Hospital.

Special Thursday evening hours for business people have been arranged. Hours are: Monday, Tuesday, Wednesday and Friday from 9:45 a.m. to 11:45 a.m. and from 12:45 to 4:30 p.m. On Thursdays from 2:30 to 7:30 p.m. This service is free. No appointments will be needed.

## NEW V.F.W. POST AT IRVINGTON

A new post of the Veterans of Foreign Wars is being organized in Irvington by Alva J. Fleming, V.F.W. department chief of staff, San Francisco.

Fleming has announced that the post will include members from Centerville, Newark, Mission San Jose, Warm Springs and Irvington.

He has named Walter Roethlin temporary chairman and has announced that the first organizational meeting will be held in the dining room of Roethlin's Cafe in Irvington on Wednesday, September 12, at 8 p.m. The meeting will be conducted by Fleming.

All overseas veterans who live in the Washington Township area are invited to attend the meeting and join the new post, assist in selecting a name for the Post and to take part in the nomination and election of officers and make arrangements for institution night.

## Primitive Sonora Pass Opens Way to New Vacation Paradise

**SONORA HIGHLANDS**—Fleecy clouds in the background prove picturesque horizon for motorists who drive into the Sonora Pass area and further into one of the last primitive areas of the west, a paradise for hunters, fishermen and vacationists.

Bordering on one of the west's last primitive domains, the Sonora Pass region is becoming more and more the favorite summer and winter vacation spot for Central Californians.

Riding high in the central Sierra Nevada, hunters, fishermen and skiers find ease and pleasure in reaching this fabulous mecca to high speed roads from San Francisco, Stockton and Modesto. Highway 105 winds from Sonora through huge forests and granite peaks over Sonora Pass to join Highway 395.

In this sportsman's paradise above Sonora, fishermen, hunters and those out for just plain "rest" find accommodations to suit their purse or their desire for rugged or luxurious living.

When the snow flies, skiers and "snowbirds" flock to the new mile-long chair lift at Dodge Ridge where snow is on the ground from November until May.

The region abounds in lakes and streams appealing to the fly-casting fool or the bait fisherman. Pack trips travel over granite trails into the vast Emigrant Primitive Area where the mark of man is difficult to find, and where fish are plentiful by airplane because there are no roads or trails to reach the untrammeled little lakes and creeks.

Pleasure-hunt vacationists find Strawberry Lake a romantic site for boating and sailing the 60 mile stretch of vacationland above Sonora have swimming pools and smaller lakes in which one can enjoy a "dip" in crystal-clear water from the distant snow.

**PUZZLE OF LIFE**

What does all this mean to you and me? Not too much if we think only in terms of wet feet, sewage disposal and taxes. But it can mean plenty if you follow the old American custom of letting your mind lift and travel.

Briefly, it may help up solve the puzzle of what life is, and what its extent is. Do we cling to a single tiny fragment of rock caught midway between the million-degree fires of galactic suns and the absolute cold of space, the only clinder with the right amount of heat and the right composition of elements to support life as we know it? Or are there about a million other worlds where men are, or are possible?

Are we here, as were the dinosaurs, for a brief visit of a few hundred thousand or a few million years, only to be gutted out by some change in the composition of our relationship of position or a forgotten freak unknown to any consciousness but our own? What does that do for your thinking, your religion and your politics?

**HOW OLD IS SUN?**

How old is our sun? How long has it been hot and how long will it remain at a heat to sustain us? Why do stars remain brilliant and apparently burning for millions of years?

What is the ultimate in the expanding and diminishing parallel—from the earth down through the atom to galaxies in the earth up through our solar system, and the great galaxies, to something else? To what? To a meeting with the atom in a vast physical circle? Or to con- tinua indefinitely to things smaller and things bigger, far beyond human imagination? The curious human mind refuses to accept this infinity, but it refuses also to leave unexamined any light that may solve the mystery.

### GADGET TO HELP LIFT A RIVER

A river that lifts itself 200 feet by the power it generates will be one of the bits of 20th century magic to be feted during the coming two weeks in a state-wide salute to the Central Valley Water Project. The "little" electric gadget pictured at right is part of the Tracy Pumping Plant which used power generated by the Sacramento River at Shasta dam to lift surplus Sacramento river water 200 feet near Tracy to flow by gravity a hundred miles north to Mendota.

## PALOMAR and YOU

By HAL MASSON

Nobody wants your money at Palomar. That is probably the outstanding difference between Palomar and the other show spots of California. There are many similarities. There is indeed on top of that mountain something that needs no balhoo, one of the most stupendous feats of engineering ever conceived and pushed through by man. There has been wide publicity in magazines, in the daily press, in the radio, in the movies. A fine road has been built to the spot through magnificent mountain scenery, through stands of tall sequoias, and kept within a 10-mile bull-whip frozen in mid-fall against the mountain's face, a challenge to en-

gineers, to your car, and to your hunger for beauty. But at the top is the difference. At the top nobody wants your money. In truth, they don't really want you there at all. You are permitted to come, you are treated politely and kept within bounds, and that is the extent of your welcome. "But," you say, "it's a State Park. It's marked in red on my tourist map. And there's a big parking lot for visitors' cars."

That's true. But it's all a compromise. The quiet men who dreamed up Palomar were scientists, not businessmen, and someone pecking over their shoulders. They simply wanted to take some rather special pictures. And to take those pictures they needed a rather special camera—a camera that weighs 550 tons, with a mirror almost 15 feet across. They could
